Dear parents,

In line with the Multi-Ministry Taskforce's latest efforts to further enhance safe distancing measures, schools will step up their safe distancing measures. **From 8 April 2020, all MOE schools will shift to full Home-Based Learning (HBL) till 4 May 2020.**

During the period of full HBL, schools will provide instructions and support for your child to access a range of both online and hardcopy HBL resources so that learning can continue. Please access the weekly HBL lesson plans via the school's website (Go to <https://gongshangpri.moe.edu.sg/useful-links/for-parents/home-based-learning>). Students can also access the information via this link: <https://gongshangpri.moe.edu.sg/useful-links/for-pupils>). The assignments will be uploaded online before the start of each week's HBL.

If your child needs learning or emotional support, he/she can approach our teachers and other school personnel such as our allied educators and school counsellors, who will continue to work from home or from school. Our teachers will also be in regular contact with you and your child.

All school-based Mid-Year Examinations will be cancelled. However, national examinations, including Primary School Leaving Examinations (PSLE) will proceed as planned and with the necessary precautionary measures in place.

Our teachers will continue to monitor the progress of your child through HBL assignments, such as worksheets, practice papers, and e-learning assignments.

Student care centres will suspend their general services during this period. If you are working in essential services, and are unable to secure alternative care arrangements, you may approach the school for assistance. Please make the request for your child to come to school in the upcoming week by informing the Form Teachers **not later than 12 pm on the previous Friday**.

Please ensure that your child stays at home and continues to observe good hygiene practices such as washing their hands frequently with soap. If he/she feels unwell, please seek medical attention promptly and inform his/her form teacher if he/she displays any fever or flu-like symptoms.

We plan to resume classes on 5 May 2020. MOE will continue to closely monitor the COVID-19 situation to assess if HBL needs to be extended. We urge you to rely on official sources of information and not to circulate any unconfirmed information. If you have any further queries, please contact school at gsps@moe.edu.sg or 67831191.

Thank you and keep safe!

Yours faithfully,
Mrs Soh-Lim Tzyy Shiuan
Principal
