From 2023 onwards, the Non-Weighted Assessment (NWA) will replace the Mid-Year Examination for the P6 students. As it is a non-weighted assessment, the score he/she obtains for the assessment does not count towards his/her overall result in a subject for the preliminary examination.

Regardless of the weighting, all assessments are conducted to check for understanding and to use the information to support our pupils in achieving the intended learning outcomes. We seek your cooperation in ensuring that your child/ward takes every assessment seriously and is well-prepared for each of them. You may email your child's/ward's form teachers should you have any queries pertaining to the WA. Alternatively, you may email or call me at 67831191 during office hours.

Thank you for your support in your child's/ward's journey through this transition year in Primary 6.

Best regards,

Mr Yusri
Assistant Year Head, P5/P6
