- Pupils are able to access resources such as Encyclopedia Britannica to research on their favourite topics.
- Parents can make online travel declaration without the need for forms.
- Parents can see which slots are available for Parent-Teacher Meetings and select the most convenient slot for themselves.
- Parents/pupils can complete surveys assigned by the school online.
- Teachers can assign lessons/tests to pupils for revision.
- Home-based Learning(HBL) in times of a national crisis when schools need to close for a prolonged period.
